SEVEN MEN STABBED AS GETTYSBURG

Free-for-All Melee in Hotel Dining Room When Several Men Arouse Anger of Yet in Blue by Abusing Abraham Lincoln.

Gettysburg, Pa., July 2.—Seven men were stabbed tonight in a fight in the dining room of the Gettysburg Hotel, as a result of a fight, which started when several men aroused the anger of an old veteran in blue, by abusing Lincoln. Several of the wounded men are in a serious condition at the Pennsylvania State Hospital. The state constabulary are making desperate efforts to find the men who did the stabbing.

According to all the information the authorities could gather the fight started suddenly and was over in a few minutes. It began shortly before 7 o'clock, when the dining room was full of people, and caused a panic among the scores of guests. The veteran who was unhurt and disappeared in the melee was sitting near David Farber and Edward J. Carroll, when he heard the slighting remarks about Lincoln. He jumped to his feet and began to defend the martyred president and berated his detractors.

The men who were stabbed, according to the information the surgeons gathered, jumped to the defense of the veteran when the others closed in. Knives were out in a second and the room was thrown into an uproar. It was all over before the rest of the men in the room could get their breath and the men responsible for it had fled. The fight spurred the medical men again tonight in an effort to have the Gettysburg saloons closed during the remainder of the celebration.

The Panama Canal

Birdseye View Showing Route of the Great Waterway Now Nearing Completion

ACCORDING to present plans, water will be let into the new Panama canal on July 1. The first boat will enter in September. Going from the Atlantic to the Pacific ocean a boat enters the canal on the north side of the Isthmus of Panama at a small suburb called Cristobal. Seven miles inland it comes to the Gatun locks. These lift the boat to a level of eighty-five feet above the sea. This level is maintained across the famous Gatun artificial lakes and through the Culebra cut to the Pedro Miguel (called Peter McGill by American workmen) locks thirty-nine miles from the Atlantic ocean and eleven miles from the Pacific ocean. The Pedro Miguel and Miraflores locks lower the boat to the Pacific sea level. Thence it goes to the other terminus, called La Boca, the Spanish words for mouth, a suburb of the City of Panama.

The odd sensation will be given a traveler when he rides through the canal from Colon to Panama of going south and east instead of west, and when he rises the next day in Panama he will find that, because Panama is on a point of land jutting out into the ocean, the sun both rises and sets in the Pacific. In its course the canal is made to follow generally the valleys of the Mindi and Chagres rivers on the north or Atlantic side and the Rio Grande on the south or Pacific slope.

It crosses the height of land at the deep cut in Culebra hill between the two oceans about fourteen miles from the Pacific. Culebra, the lowest hill on the divide, was about 340 feet above sea level. The French made a cut in the hill to a point of 140 feet above sea level. Colonel Goethal's men reduced this to eighty-five feet above sea level. It was through this cut that the "slides" were encountered. These "slides" were among the most serious obstacles met with in the building of the canal.

NEWS FROM JONES.

Jones, July 7.—Dr. and Mrs. Whitesides of N. C., visited relatives and friends here last week.

Mrs. Addie Carter, of Princeton is visiting her brother, Mr. G. B. Riley. Mrs. Thomas Crowe's suffering from a fracture sustained in a fall.

Mr. Barbary Jones, of Mt. Pleasant, visited relatives here recently.

Mr. G. W. Jenkins, of Columbia, spent the week end here with his friends.

We recently had the pleasure of meeting Dr. John Moore, who after an absence of thirty six years in Texas, is visiting relatives and friends here.

Dr. Townes Jones and son George were in Greenwood Thursday.

The glorious 4th was a gala day at Ware Shoals. The exercises were opened with prayer by Rev. James Dallas. Dr. Willie Jones presided over the meeting. Hon. George R. Rembert, of Columbia, Hon. Sam Jones Nichols of Spartanburg, and Hon. W. C. Irby, of Laurens, delivered eloquent patriotic addresses. The attendance was large and the good order prevailed throughout the day. The barbecue and refreshments operated in interest of raising money to build a Baptist church was liberally patronized. The good ladies of Ware Shoals deserve great credit for their untiring efforts to promote such a worthy cause and we trust they may soon erect a magnificent church.

The Anderson Brass Band discoursed sweet music throughout the day and contributed materially to the enjoyment of the auspicious occasion. Hon. L. J. Browning and Mr. Loomus Blalock of Laurens, Col. J. H. Wharton, of Waterloo, Col. Machen and M. B. McCuen, of Princeton, T. R. Blackwell, of Due West, Auditor Canfield, of Greenwood, Judge Trussell, of Honea Path, Judge Henderson, of Mt. Galahger, and hundreds of others mingled with their friends on the Fourth.
